

Build your computer skills

Starting a FedUni TAFE course? The Library is hosting free computer classes to get you up to speed.

What you will learn:

- How to access your FedUni TAFE course materials
- How to log in to your FedUni TAFE email account
- What on earth is Moodle, and why is it important
- Completing and submitting tasks
- Where to get further help

Book classes now for Mt Helen, SMB and Horsham campuses online via federation-edu-au.libcal.com/calendar/classes or call 1300 552 567
