

The Liaison Librarians are presenting a series of 15-minute sessions on library resources to assist you in your preparation for teaching for 2021.

Please select the sessions you would like to attend using [this link](#). A calendar invitation will be sent to you with additional details.

The sessions will cover:

- **Subject Guides** - See and learn how your Library Subject Guide can be tailored to host further learning materials for your students and support your Moodle content
- **MyLibrary! app** - Search, reserve, renew from the comfort of your own phone
- **Australian Standards** – How to find and download Australian Standards
- **InfoRMIT - Australian material** – What information is available via InfoRMIT
- **FedCite for Referencing** - An overview of key features and examples of how content can be tailored to support your students
- **Streaming Video Databases** - A look at some of the key streaming (video) databases available and how to use them. E.g. ClickView, Kanopy
- **ProQuest e-Books** - Maximising the features of ProQuest
- **Finding News** - Discover how to find local, national and international news content via the library
- **Searching using EBSCO Thesaurus** - What do “explode” and “focus” do?
- **TAFE Computer Skills Classes** - Do your students need to get their introductory university computer skills up to speed? See what we’re doing for TAFE students, and book your class in now!
- **SAGE Research Methods** - How to find information about research methods to support both your own research and your HDRs
